Centenary has seen many changes within the past few years. One of the most significant changes was the arrival of President Donald Webb in 1978. Dr. Webb has done many things to inspire improvement at Centenary. In the Spring of 1979 the budget was balanced.

Many other changes prevail around our campus. The renovation of the Moore Student Union Building heads the list of building repairs and remodeling. This past summer the Bookstore, Rotary Dorm, and the Cafeteria were other buildings renovated and remodeled. Sidewalks have been constructed to enable the handicapped more access to buildings around our campus.

Everything is in a state  
of metamorphosis. Thou  
thyself art in everlasting  
change and in corruption  
to correspond; so is the  
whole universe.  
Meditations. IX, 19

Throughout the  
years Centenary  
will continue to be  
a "Tradition of Excellence!"

# STUDENT LIFE . . .

## Rush

Autumn is a time for beginnings at Centenary. Classes start, freshmen adjust to college life, upperclassmen get reacquainted, and fraternity and sorority rush begins. Rush is a period for prospective members to get a taste of Greek life and meet people whether or not they plan to pledge.

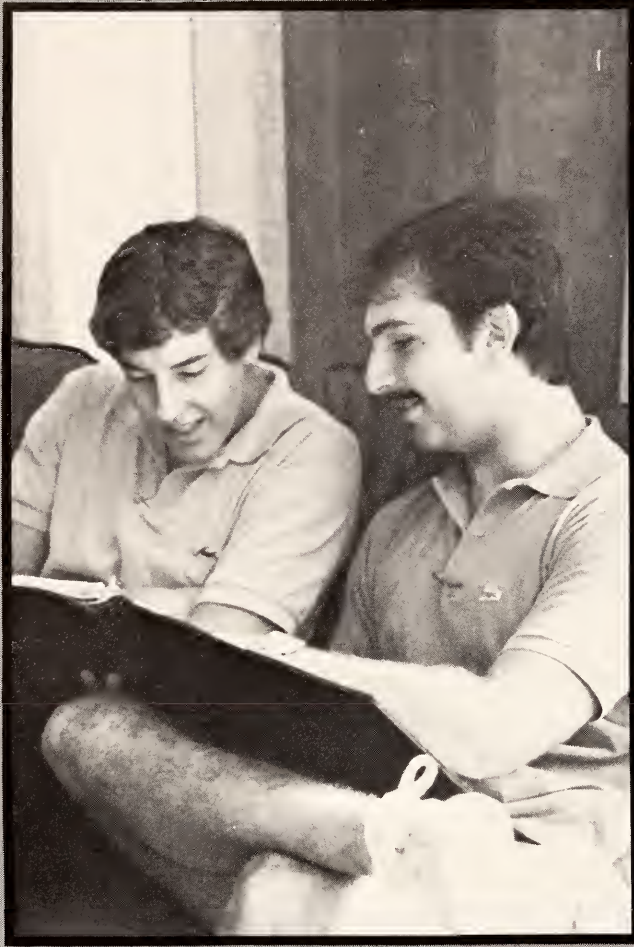

Sorority rush consists of Panhellenic Double Dip followed by open houses, theme and preference parties. On Sunday bids are issued in Kilpatrick Auditorium, and the girls run down the hill to their new sisters. Much hugging and celebration follows.

Informal "smokers" at the houses, ski and swim parties, and pledges are greeted with an open door.

The weekend is a "rush" experience packed with emotion, enthusiasm, and excitement.

# INTRAMURAL FOOTBALL . . .

After an arduous schedule of six games, four teams emerged to the playoffs. Kappa Sigma I met Theta Chi in the first game of the playoffs. After fine defensive plays the Sigs eased to a 25-7 victory. TKE I challenged the CSCC team in the second playoff game. The game was controlled for three quarters by the CSCC team; but after an exchange of four interceptions the TKE's rallied to a 19-13 win. Thus, the Kappa Sigma and the TKE's met in the finals. With 38 minutes of the game as history, the Sigs were holding a 6-0 lead. The TKE's mounted their final offensive play with a last second touchdown against the Sig defense. The TKE's made the extra point which gave them a 7-6 victory over the Kappa Sigs.

Other teams participating in football intramurals were Kappa Digma II, TKE II, KA I, Turtles, Alkies, Mean Machine, and CHOR.

# ALL CAMPUS WEEKEND

# SUB-WEEK

Every Year Centenary Students plan and participate in two events that are designed to raise money for the renovation of the Moore Student Union Building. The Centenary Fair, held in the fall, is open to the Shreveport-Bossier community and all proceeds go to the SUB Fund. SUB-Week is a week in which activities are planned and executed by organizations on campus. This year these activities included a faculty-student Turkey Trot, an R. A. Dinner in the Caf, a Mr. Centenary Contest, Faculty Follies, a night at Mama Mia's and many others.

# Alpha Sigma Chi

Members of Alpha Sigma Chi are pictured above: Mike Woolbert, Thomas Cecola, Steve Holt, Brian Franklin, Dr. Stanton Taylor, Dr. Robert Zawolski, Terry Moore, Rod Lengel, Felicia Sankey, and Dino Kirkisis. Maroon Jackets are the live definitions of the words "service" and "Scholarship" on the Centenary campus. Admission into this elite group is determined by academic and leadership accomplishments. For the first time in this organization's history, men were admitted. These hosts and hostesses greet visitors, usher at Convocations, and perform various other duties.

# Student Government Association

Members of the SGA (right) are Dick Dodson, Mona Vines, Ken Jeck, Sarah Branton, Russ Hodges, Susan Webb, Karen Albano, Peggy Miles, Steve Wren, Ford Williams, Tony Caldwell, Dr Vetter, Sarah Gilchrist, Brent Henley, Brian Kennedy, Chris Hyde, Catherine Porter, and Sue Brown.

The Student Government Association is the line of communication between the administration and the students. It is the governing body of the students as well as their voice. The SGA organizes and sponsors All Campus Week-end, the Coffeehouse, the Blood Drive, dances, movies, and several other fun activities. One of the most important projects facing the SGA is raising money for the renovation of the SUB. The Centenary Fair and the auction are just a few of the money-raising activities which have proved to be very successful.

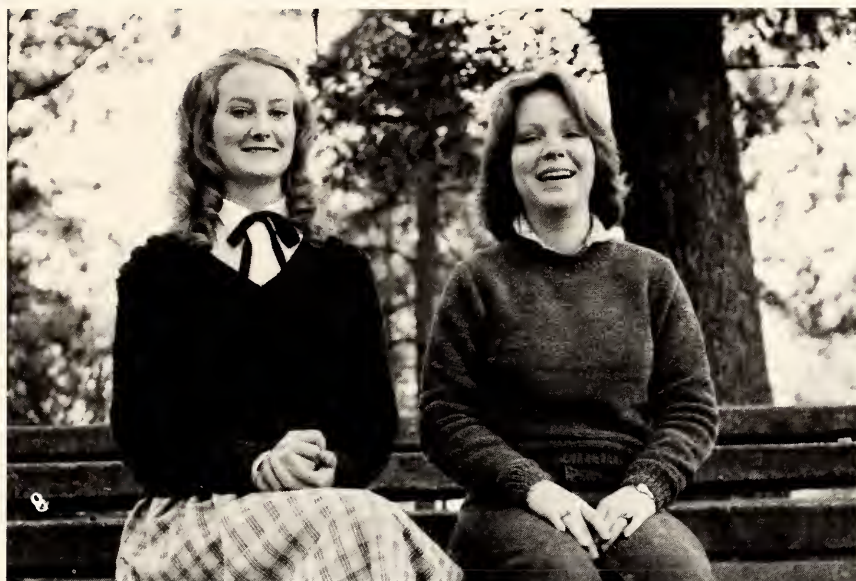

# Yoncopin

Members of the **Yoncopin** staff pictured above are Karen Koelemay, Faculty and Administration Editor; Cindy Gonzales, Business Manager; Sally Sherrod, Editor; Elaine Mayo, Sports Editor; and Evonne Greene, Copy Editor. Pictured on next page are Ann Caruthers, Students Editor; and Barbara Brown, Organizations Editor.

The **Yoncopin** Staff of 1980 wishes to express a special thanks to Janie Flournoy for all her extra time and effort . . . also to Mr. David Baker of Josten's American Yearbook Company . . . and to Dominic at Dee's Photos for his assistance with the photography. Without these special people's help, the publication of the 1980 **Yoncopin** would not have been possible. The yearbook has been an effort on our part, but we hope that it brings lasting memories to the reader and therefore for us it becomes a satisfying accomplishment.

# Conglomerate

The CONGLOMERATE is an important part of the college's communication system. The weekly publication is full of activities, controversies, Shreveport happenings, information articles, and humorous articles. Pictured are Libby Andress, Merrill Wautlet (Sports Editor), Brian O'Neil (Business Manager), Janet Vaught (Entertainment), Jody Oliver, Sarah Doss (Editor), Mary Gallien, Ann McVay (Managing Editor), Shirley Arnold, Kay Jones (Features Editor), and Steve Honley (News Editor).

# Photographers

Photographers are, at right, Amy Michel, Jay Allen, Sally Sherrod, Elaine Mayo, Debbie Hetrick, John Purdy, Will Downs.

Below are Frances Harrell and Charlotte Thomas.

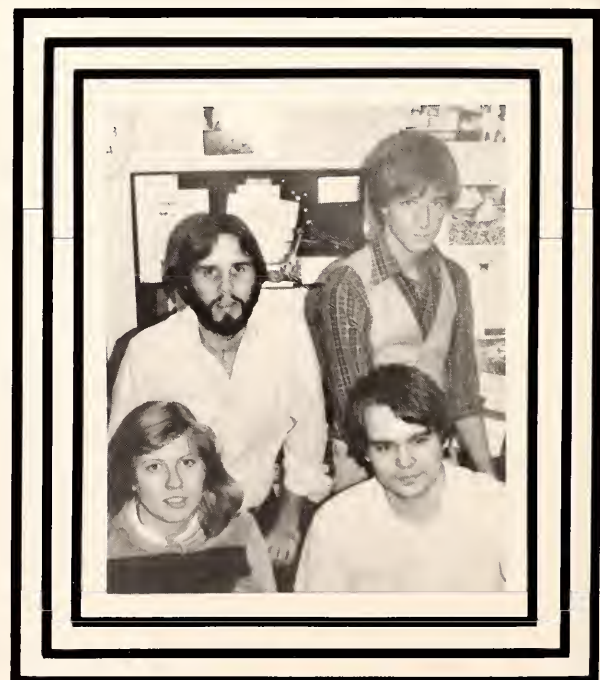

Without these people there wouldn't be a yearbook or any added features to the newspaper. They put in alot of time and hard work. Many thanks to the photographers for the CONGLOMERATE and the YONCOPIN.

# KSCL

KSCL is Centenary's student-operated radio station. The station is another part of the communications system on campus. Application was made to increase power to 100 watts; this increase in power will serve a greater area of Shreveport and Bossier City. # ZETA PHI BETA

DELICIA SMITH  
FOUNDER

VONDEL SMITH  
FOUNDER

The members of Zeta Phi Beta Sorority worked long and hard in promoting the ideas of finer womanhood, scholarship, sisterly love, and humanitarian services at Centenary. With these ideas in mind, the W.I.Z. Club (Women Interested in Zeta) was formed in the Spring of 1979. With the thirst for recognition and the quinch for establishment, these young women branched out dutifully, exemplifying the meaning of their motto, "Whatever the mind of a woman can conceive, and her heart believes, she can achieve."

From that time on these young women actively participated in the Heart Fund Drive, Storks West (National Project of Zeta Phi Beta), All Campus Weekend, the Centenary Fair, High School Weekend, Who's Who in American Universities and Colleges, the Women's basketball team, Afro American History Month, Homecoming, and many other activities.

Accepted by the college in 1979, this organization, under the leadership of Delecia and Vondel Smith, became a highlighted part of Centenary when it was chartered on February 23, 1980 under the name of Sigma Iota Chapter of Zeta Phi Beta Sorority, Inc.

Centenary's 1979-80 basketball season, its first in the Trans America Athletic Conference, will be remembered for a terrific one-two punch.

While senior George Lett took his place next to Robert Parish and Tom Kerwin as one of the top scorers and rebounders in Centenary history, sophomore Cherokee Rhone emerged as one of the nation's top young stars.

The "Jet" Lett and the "Chief" Rhone both averaged near twenty points and over ten rebounds a game and sparked a competitive charge by the Gents in the second half of the season.

Sophomore Steve Burkhalter improved greatly as a swing man between guard and forward and was just one of a young group of players who offer a building block for future seasons.

Centenary hosted the University of Arkansas before a full house in the Gold Dome. In the opener of the "Centenary Doubleheader" at Hirsch Coliseum, the Gents scored 121 points against Alaska-Anchorage — the third best single game in school history. Notre Dame beat Tulane in the second game.

Homecoming at Centenary took place on February 23rd, and seven women were honored by being selected to the 1980 Homecoming Court. There was a parade before the game in the Gold Dome against Northwestern. Afterwards there was a Homecoming dance. Several parties and gatherings of alumni took place with the renewing of old and sometimes forgotten friendships, and there was the customary decoarting of sorority and fraternity houses.

Pictured above are members of the 1980 Homecoming Court. For the third straight year, Centenary fielded one of the nation's strongest women's gymnastics teams — major or small college. The Ladies posted some of the top scores in the nation, then went after their third AIAW Division II national championship in the Gold Dome on March 28-29.

All-American Beth Johnson was the team leader, following her AIAW Division II all-around individual championship by finishing second in the US World University Games' team trials competition. She then helped the US win a bronze team medal in the Games in Mexico City and qualified for three individual finals.

Beth, the Ladies' lone upperclassman, was joined by talented freshmen Jennifer Forshree (Kirkwood, Mo.), Karen Edelsten (Brisband, Australia), Jill Brown (Rockwall, Tx.), Margot Todd (Albany, Ga.), and Kim Straus (El Paso, Tx.).

The girls trained at Olympia Training Center in Belcher under the direction of Coach Vannie Edwards.
